INDEPENDENT AUDITORS' REPORT

To the Members of
SUSTAINABILITY ACTION FUND

We have audited the accompanying financial statements of SUSTAINABILITY ACTION FUND which comprise the balance sheet as at May 31, 2015, and the statements of operations and changes in net assets and of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements - Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility - Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion - In our opinion, the financial statements present fairly, in all material respects, the financial position of SUSTAINABILITY ACTION FUND as at May 31, 2015 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

The accompanying notes form an integral part of the financial statements

SUSTAINABILITY ACTION FUND
NOTES TO THE FINANCIAL STATEMENTS
as at May 31, 2015

1. STATUTES OF INCORPORATION AND NATURE OF ACTIVITIES

The organization, incorporated on October 4, 2007 under Part III of the Quebec Companies Act, is a not-for-profit organization and is exempt from income taxes.

The organization's objective is to inspire necessary positive changes by funding sustainable initiatives on the campus of Concordia University.

2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

Accounting estimates

The preparation of financial statements in conformity with Canadian accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from these estimates.

Revenue recognition

The organization follows the deferral method of accounting for contributions. Restricted contributions related to general operations are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Property and equipment

Property and equipment are recorded at cost. They are amortized over their estimated useful lives using the declining-balance method at the following annual rate:

| | |
|-------------------------|-----|
| Furniture and equipment | 15% |
|-------------------------|-----|

Financial instruments

The organization initially measures its financial assets and financial liabilities at fair value. The organization subsequently measures all its financial assets and financial liabilities at cost or amortized cost.

Financial assets measured at amortized cost include cash and the Concordia Millennium account. Financial liabilities measured at amortized cost include accounts payable and accrued charges and deferred revenues.

SUSTAINABILITY ACTION FUND
NOTES TO THE FINANCIAL STATEMENTS
as at May 31, 2015

| 3. PROPERTY AND EQUIPMENT | | | <u>2 0 1 5</u> | <u>2 0 1 4</u> |
|---------------------------|------------------------|--|--------------------------|--------------------------|
| | <u>Cost</u> | Accumulated <u>Amort- ization</u> | Net Book <u>Value</u> | Net Book <u>Value</u> |

| | | | \$ <u><u>11,204</u></u> | \$ <u><u>26,843</u></u> |

5. FINANCIAL INSTRUMENTS

Risks and concentrations

The organization is exposed to various risks through its financial instruments. The following analysis provides a measure of the organization's risk exposure and concentrations at the balance sheet date.

Liquidity risk

Liquidity risk is the risk that the organization will encounter difficulty in meeting obligations associated with financial liabilities. The organization is exposed to this risk mainly in respect of its accounts payable and accrued charges.
