

# Applying to SAF

When planning your event or project, you should take this entire cycle into consideration. **We strongly suggest submitting applications a minimum of one month in advance of your event or project.**

## Step 1: The Drafting Phase

Use this document to create a draft of your application. This is helpful in developing your project before submitting the final version.

## Step 2: Discussion and Feedback

Once the draft application is complete, you can send it to the [Project Coordinator](#) for them to make comments and give feedback. This allows you to have the best application possible that has the highest chances of being approved by the Board of Directors.

Draft applications should be sent to the project coordinator on the first week of every month to allow enough time for reviewing. This leaves ample time for you to edit based on the feedback and before submitting your final application (Step 3).

## Step 3: Submission

Applications are reviewed once per month by our Board of Directors. Using the comments provided by the Project Coordinator, edit and refine your application and re-submit to the [Project Coordinator](#), indicating that it is the final version.

**Deadline for Step Three submissions: 15th of each month**

\*NOTE: Any incomplete applications that are submitted to the SAF run the risk of not be considered for funding. This includes but is not limited to missing information; vague, inaccurate, or confusing information; and/or incomplete budgets. For this reason, we strongly suggest sending your draft application to the Project Coordinator as early as possible!

## Step 4: Funding Decision

The Board of Directors will meet once per month following the submission deadline to review, discuss, and allocate funding for all received applications. Once a decision on a project is reached, a notification will be sent to applicants via email.
