# SPECIAL PROJECTS FUNDING PROGRAM

## Application Form

### 2026-2027

The background of the page is a dark green color with a white topographic map pattern. The map features several concentric, irregular shapes representing landmasses or islands, with lines indicating elevation or depth. The lines are more densely packed in some areas, suggesting higher elevation or depth.

# SPECIAL PROJECTS FUNDING PROGRAM

## Application Overview

When planning your event or project, you should take this entire cycle into consideration. We strongly suggest submitting your applications a minimum of one month in advance of your event or project

---

## Step One: The Drafting Phase

Once you have identified that you will be applying to the Special Project Funding Program, use this document to create a draft of your application. This guidance is helpful in developing your project before submitting the final version.

## Step Two: Discussion and Feedback

Once the draft application is complete, you are encouraged to send it to [projects@safconcordia.ca](mailto:projects@safconcordia.ca) for comments and feedback. This step helps ensure that your proposal is clear, complete, and aligns with SAF's funding criteria, giving it the best chance of being approved by the Board of Directors.

To allow enough time for review and revisions, we recommend sending your draft at least two weeks before the application deadline you are aiming for.

This gives you ample time to receive feedback, make any necessary edits, and submit a strong final application by the deadline listed in Step 3.

## Step Three: Submission

SAF now accepts applications on a rolling basis with fixed deadlines, our funding schedule can be found [here](#).

## Step Four: Funding Decision

Decisions may take longer depending on board availability and unforeseen circumstances. Once a decision on a project is reached, a notification will be sent to applicants via email. Applicants that miss a deadline will be considered for the next deadline.
